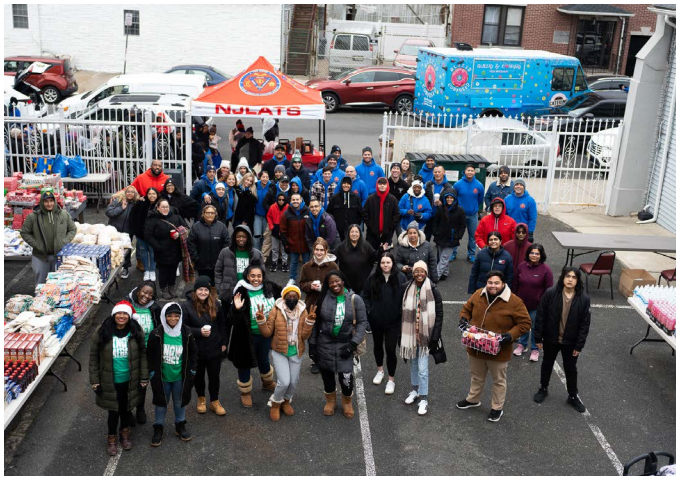
Dear Supporter,

We are excited to extend you an invitation to join us as a sponsor for our upcoming Fundraising Gala. This event not only celebrates the spirit of our community but also serves as a critical fundraiser for our various charitable missions, including disaster relief, food drives, sports clinics and community outreach programs we conduct throughout the year. Your sponsorship will make a direct impact in supporting vulnerable families and individuals in New Jersey and beyond.

About Us

We are a 501© (3) Nonprofit Community Outreach Organization that was established in 2013. Donations made to NJLATS are fully tax deductible. We are comprised of active, retired and civilian members of the New Jersey State Police. We are committed to building and maintaining relationships between law enforcement and Latino communities.



The NJLATS Fundraising Gala is our premier annual event, designed to raise the necessary funds to sustain and expand these crucial initiatives. With your help, we can continue to provide vital services that uplift and empower the community.

Sponsorship Opportunities

Your sponsorship will be instrumental in allowing NJLATS to continue its work. We have designed sponsorship packages to ensure your support is recognized and celebrated.

1. Disaster Relief Efforts

Support our emergency relief fund, which provides immediate aid to families impacted by natural disasters, such as hurricanes, earthquakes or floods.

2. Food Security Initiatives

Help us tackle food insecurity by supporting our food drives that provide essential groceries to families in underserved communities.

3. Winter Clothing Drives

Ensure that no one goes cold this winter by contributing to our winter clothing drives, which distribute coats, gloves, hats, and other essentials to those in need.

4. Back to School Events

Prepare students for success by contributing to our back to school events. We aim to provide essential school supplies like backpacks, notebooks, pencils, and other learning materials to children in underserved communities.
